ABOUT ME

Cloud/DevOps Engineer working on client-facing and internal projects, with hands-on experience in AWS, Kubernetes, Terraform, CI/CD, infrastructure automation and cloud platform operations. AWS Certified Solutions Architect – Associate and Certified Kubernetes Administrator (CKA), with a Master's degree in Informatics and previous enterprise software development experience.

WORK EXPERIENCE

Junior DevOps Engineer 06/2026 – Present

DevOpsGroup s. r. o.

- Contributing to client-facing and internal cloud projects using AWS, Kubernetes, Terraform and CI/CD.
- Working with cloud infrastructure automation, Kubernetes workloads and infrastructure troubleshooting across project environments.
- Collaborating with engineering teams and stakeholders on deployment, infrastructure and cloud platform tasks.

Frontend Developer 08/2025 – 12/2025

ClinBi

- Implemented a GitLab CI/CD pipeline for deploying Svelte frontend environments to Amazon S3 and CloudFront.
- Automated CloudFront cache invalidation through AWS CLI for repeatable deployments.
- Contributed to an AWS SAM / Node.js serverless backend using Lambda and Amazon RDS, including authorization functionality.

Junior SAP ABAP developer 04/2024 – 05/2026

Accenture, s.r.o.

- Developed and maintained SAP ABAP test services based on functional requirements.
- Performed debugging and root-cause analysis of software issues, contributing to process optimization and system reliability.

EDUCATION

Master's Degree in Informatics (Ing.) 09/2024 – 06/2026

Technical University of Košice, FEI

Diploma Thesis: *Securing QR Code Integrity* Košice, Slovak Republic

Bachelor's Degree in Informatics (Bc.) 09/2021 – 06/2024

Technical University of Košice, FEI

Košice,

Slovak Republic

SKILLS

Cloud & AWS

AWS, IAM, VPC, EC2, EKS, S3, RDS, Lambda, CloudFront, Route 53, KMS, AWS SAM

Infrastructure as Code

CloudFormation, Terraform

Development & Scripting

JavaScript, Node.js, SAP ABAP, Bash/Shell

Containers & Kubernetes

Kubernetes, Docker, Helm, kubectl, RBAC, networking, storage, workload scheduling, troubleshooting

CI/CD & Git

GitLab CI/CD, GitHub Actions, Git

Web

Svelte, React, Tailwind CSS

CERTIFICATIONS

AWS Certified Solutions Architect – Associate
Amazon Web Services · 2026

Certified Kubernetes Administrator (CKA)
The Linux Foundation / CNCF · 2026

LANGUAGES

English
Upper intermediate (B2)

German
Beginner (A1)

PROJECTS

AsphalesQR

Master's thesis project for browser-based verification of digitally signed QR content.

AWS KMS · API Gateway · Lambda · Cognito · S3 · CloudFront · ES256 · COSE

- Designed a server-side signing architecture using AWS KMS and ES256 digital signatures.
- Implemented browser-based QR verification using public-key cryptography without requiring a dedicated mobile application.
- Built and deployed the supporting AWS infrastructure and web verification workflow.
